# Saving Lives Since 1930

Thank you for considering sponsorship of Geraldton Surf Lifesaving Club, an essential and valued community organisation within the Midwest.

The SunSmart WA Surf Life Saving Country Carnival is in Geraldton on the Australia Day long weekend 2024. 3 days of beach and ocean events with social functions, historically attracting over 2,500 competitors and spectators from across the state.

This is a prestigious and exciting sporting event that showcases the skills and abilities of surf lifesavers in various disciplines. The event also promotes our mission to save lives, create great Australians and build better communities. Come and join the fun!

The Country Carnival in 2018 generated \$1.2 Million in spending (largest \$\$ of all sporting events held in Geraldton that year). Your business will tap into that through publicity in our advertising, promotional materials and communications. For more information please email [surfclub@geraldtonslsc.com.au](mailto:surfclub@geraldtonslsc.com.au) or call Sally 0428217879

CJ and his Mum thanking GSLSC patrol after rescuing him from a dangerous rip the previous weekend. "It all happened so quickly, we thought we had lost him".
